

SCHWENKSVILLE DENTAL CARE

Congratulations to Dr. Saini on being awarded Benco's coveted 2018 *Incisal Edge* "40 under 40". This honor goes to the 40 best dentists under the age of 40 in the USA.

The honorees selected are renowned for their dental innovations, volunteer work, philanthropy and their commitment to outstanding patient care. The 40 honorees were nominated by industry experts from around the country and vetted by an independent panel. They represent the best of dentistry today. #IE40Under40

Benco Dental & Incisal Edge magazine celebrate dentists' achievements both inside the operatory and during their hard-earned downtime. Nothing better exemplifies this than the magazine's annual "40 Under 40" edition, a series of informative profiles of the finest young practitioners in our industry. The actual publication will come out later this fall and we'll be sure to post updates as they become available.

We have known for a long time just how fantastic a dentist and person Dr. Saini is and are not surprised that the rest of the dental community is recognizing this as well!

CONGRATULATIONS TO DR. SAINI

Your team is proud of you and all that you stand for.
